1994 Reunion Picnic August 28TH

by Audrey Kleino DeFauw

Plans are near completion for the Alumni picnic. This year's picnic, for the graduates from Classes 1930 to 1969, will be held on Sunday, August 28, 1994 in the Fraser Park. (Our apologies that we omitted the picnic date in the last newsletter). The picnic will begin at 11:00 am and will take place, rain or shine. In the event of inclement weather, we will move to the V.F.W. Hall located near the park. As in the past, we will have several tents along with tables and chairs. A 50-50 raffle will take place at 4:30pm.

The class of 1969 will be holding their 25 year reunion along with the picnic. We look forward to welcoming the Class of 1969 to the 25+ Alumni Club.

Last year was our first year selling food. It was so well received that we will once again offer Kielbasa, potato salad, i.e. Our chief cook, Jasper Terzo, along with our second chief cook, Theresa Bielawski, will be in charge of the kitchen.

Volunteers are always needed for such activities as setup, assisting the food committee and registration table. Also, a few additional hands will be helpful for cleanup.

If you would be willing to assist for an hour or so, please contact those people in charge; for registration call Jenny Heiman at 1-810-286-0047, food committee, call Theresa Bielawski at 1-810-293-6265.

You will see containers around the grounds where you can deposit empty cans. We encourage you to donate your cans back to the Alumni Club. **NO GLASS CONTAINERS ARE ALLOWED IN THE PARK!**

We would like to ask each Alumni, planning to attend the picnic, to call one classmate and bring them along. This is a great opportunity to renew those acquaintances from

the past.

If you have never attended a 25+ Alumni picnic, make this your first year. We guarantee you'll have a great time.

Please register at the registration table upon entering the park. The charge for admission is \$7.00 per family which is used to cover expenses for the picnic and newsletter.

We are looking forward to seeing you all at the picnic!

SPECIAL NOTE FROM YOUR EDITOR

Joyce 'Soltman' Gozdor

If you have special information that you would like included in your newsletter, please notify us. We will be only too happy to print your article, but first we must be made aware of it. With such a large number of 25+ members and a volunteer staff, it is very difficult to stay on top of all that is happening across the United States, where our members are located. If we have omitted an obituary of one of your loved ones, very possibly YOU have not shared the information with us. We cannot apologize for omitting information that we are not aware of. Please, we encourage you to contribute to this newsletter. It is very difficult to fill all of the pages with meaningful information that addresses the majority of our readers. So won't you all please pitch in and contribute to the newsletter whenever possible!

PICTURES OF THE PAST

The Alumni Club is still (always) looking for pictures from the past to add to our collection. If you have old pictures but do not want to give them up, please consider having a copy made and donating them to the club.

WANTED

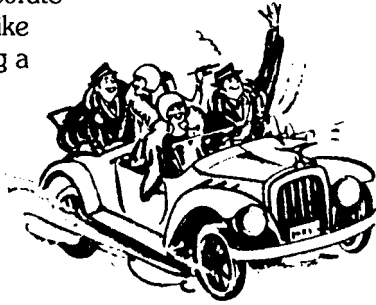

Do you have something of interest that could be shared with the alumni? Drop your editor an article. If space is available, we would be happy to print it.

ADDRESS CHANGES

In each newsletter, we make a plea asking your assistance in keeping our address file up-to-date. With the mailing of the January newsletter, Issue #11, 150 were returned. Our cost is over \$1.00 for every newsletter returned, that we attempt to re-mail. The breakdown of charges is as follows: .16 1/2 cents to mail (bulk rate), .35 cents to the Post Office when returned and .53 cents to re-mail (non-bulk rate). As you can see, it can be expensive for the club when newsletters are returned. So PLEASE, if you are aware of anyone that has moved, do not assume that we know. Drop a card with the change of address to; Buck Steffens, 49787 Nautical Dr., New Baltimore, MI 48047.

CLASS OF 1944 CELEBRATES 50TH

This year, the graduating class of 1944 will celebrate their 50th. I would like to assist in organizing a get-together but to date, I have had no suggestions. The date is soon approaching. How about dinner on Saturday evening, August 27, 1994 (night before Alumni picnic). Please call or write me with any suggestions. Jenny 'Thilk' Heiman, 42133 East Edward, Clinton Township., MI 48038, 1-810-286-0047.

CLASS OF '59 - WHERE ARE YOU?????

It's time for our 35th reunion. LET'S HAVE A PARTY!!!! The Alumni Picnic is Sunday, August 28th. If anyone is interested in a get-together on Saturday, August 27, contact me; Deanna (Chapman) Landers, 318 N. Plum St., East Canton, OH, 44730, telephone number is 1-216-488-0821, after 6:00 pm. Call or write before July 1 so we have time to make plans. SEE YOU IN AUGUST!

CLASS OF '63 AND '64 and Friends WHERE ARE YOU?

Wherever you are, turn your calendar pages to August, 1994 and reserve **Saturday, August 27** for a "reunion-like" get together. (That's the Saturday night before the Sunday All-FHS Alumni Picnic) We'll be gathering at Mr. Ribs - it's right behind Hillcrest Banquet Center (remember the Prom) on Groesbeck in Mt. Clemens, to reminisce again (we do that frequently these days, don't we?) about days at FHS thirty-something years ago.

So remember: Saturday, August 27, 7:30 p.m. - Mr. Ribs - Cocktails and Dinner (your choice) ... and dancing 'til???

No other reminder, no money to send in or questionnaire to fill out. Just make some contact with your friends, and RSVP to Sandi and Al Harris, 1-810-254-1629 or Karen O'Bryan, 1-810-468-4430, so we can 'warn' Mr. Ribs of the gathering.

A Special Message for the CLASS OF 1969

It appears there will be no formal 25 year reunion this year. In light of this fact, we are going to have our reunion along with the 25+ Alumni Club picnic. The event will be August 28 at the Fraser Park located on Garfield and 14 Mile Road. Bring the family and plan now to attend. It will be good to see everyone again. The picnic will be rain or shine as the Fraser VFW Hall will be used if inclement weather occurs. Bring your own picnic lunch, or if you prefer, you will be able to purchase food and beverage from the Alumni Club. NO GLASS CONTAINERS ARE ALLOWED IN THE PARK! If you have any questions, call George Roland at 1-810-286-3793. Hope to see everyone there!

ALUMNI SAYS GOODBYE TO DEDICATED STAFFER

From Your Editor
JOYCE 'SOLTMAN' GOZDOR

It is with some sadness that I write this article. Recently, Betty (Giessler) Gensheimer joined our committee. As some of you may know, Betty had spent many years in Germany and only returned here with her husband and family in June of 1991. She has been a great addition to the committee but especially to this newsletter. We have her to thank for such articles as (Do you Remember WHEN...', the Utica Road houses, i.e. It is with sadness that I have to report that Betty and her family are returning to Germany to take up permanent residency. I say sadness, but, that is selfishness on my part. Her talent and never ending ideas for the paper, will be missed. I told her she will not be relieved of her duties as "Columnist" as I will occasionally ask her to write a column for us or stir up some new ideas. Betty, the committee would like to wish the very best to you and your family and thank you for all your contributions. Your talent and dedication to this cause will be missed. Keep us posted on the happenings in your life and we will make you a promise that this newsletter will always be on your doorstep. I would like to end this column with a short note that Betty wrote to me.... "I JUST LOVED WRITING THE COLUMN (I love writing - period). It has been such a joy and not hard work. Tell people not to be afraid to take it over. Once one has an idea, a theme, other ideas just come and one person leads the writer to another person and another idea. Good Luck and keep it alive!"

DO YOU REMEMBER WHEN . . .

by: Betty Giessler Gensheimer

you were a student in the Fraser schools and there was always something, good, bad, strange, funny, or just "normal" happenings in your life? These people were asked to share an outstanding memory of those days with us.

- 1935** Florence 'Schott' Meier - Taking a county EXAM in order to transfer to the 8th grade at Fraser school from St. John's school. Our prom at Tassie's Tavern on 15 Mile and Jefferson. We had one of the bigger classes (16)!
- 1943** Evelyn 'Eberlein' Imhoff - Breakfast at Belle Isle in June of 1943 after the prom. We enjoyed Dawn Lamb's delicious bacon and eggs cooked on a park picnic grill!
- 1943** Audrey 'Bloss' Olah - Going to Windsor for our "senior skip day" and coming back to Detroit and walking past the "Burlesque Show" about 5 times before we got up enough nerve to go in.
- 1944** Jenny 'Thilk' Heiman - Doing our job of picking up scrap metal and tin cans for the war effort, and then dropping them off where we should not have, just to get rid of them. Evelyn Imhoff was afraid police chief Herman Jacob would "arrest" for not doing the right thing with the scrap metal. Wartime teachers were the world's worst!! Everyone else was off to the war.
- 1946** Donna 'Steffens' Stonebreaker - Does the class of '46 remember the science room adventure during our card party?? Oh, that Ernie!!
- 1951** Jasper Turzo - I enjoyed my days with the band. Our concert at the Star Ballroom was so outstanding. It was jam packed! Fran Wein-gar was the director. I am still friends with lots of old members like Jerry Kieth, Cappy Steyer, Ralph Bielawski and WHERE is Jimmy McFeeley???
- 1954** Audrey 'Kleino' DeFauw - I came to Fraser from St. John's School and in the 10th grade took Mr. Brockschmidt's Am. Lit. class that was filled with senior boys (and only 4 girls) and I was so SHY that I was afraid to open my mouth for fear of what they would think!
- 1954** Bob Tarkowski - "Uncle" John Brockschmidt was my favorite teacher in 1953-1954! I told my son in **1972** to say for me: "Hi, Uncle John". He did and got this answer: "you must be a son of Bob Tarkowski".
- 1955** Phyllis 'Walker' Wolff - When I wrestled with Linda McIntosh over Philip Sandula in the 6th grade!
- 1955** Linda 'McIntosh' Sandula - When we used to catch polywogs in the creek behind Cady's School! (with Phil Sandula, in the 6th grade).

DO YOU REMEMBER WHEN . . .

by: *Betty Giessler Gensheimer*

you were a student in the Fraser schools and there was always something, good, bad, strange, funny, or just "normal" happenings in your life? These people were asked to share an outstanding memory of those days with us.

- 1955** Lila 'McIntosh' Humphries - My first day in the 7th grade in the Fraser High School building, having just transferred over from Cady School and Mr. Hobbs called out my name as "Leela Mich-in-tosh". I was so-o-o embarrassed!
- 1955** Gloria 'Cheek' Templeton - Confessions of baby pictures in 1955 yearbook: The baby picture of me is really my niece Sally. Coming from such a large family, pictures were not affordable. By the way, it was after "tin-type".
- 1955** Carol 'Ahrens' Trammel - Freshman English class: everyday Eugene Warren threw the eraser on the light fixture and it smoldered there and made a terrible smell. Teacher, Venus Brown never caught him and every time it happened she was so surprised.
- 1955** Bonnie 'Hogeboom' Bumler - I remember tearing up the football field with my twin brother Bob in his old Packard trying to get hay for our Junior Dance. All involved had to rake and reseed the WHOLE field! More Fun!!
- 1960** Nance 'Skubick' Fay - I remember we were the first class NOT to have a Senior trip! We were such "sweet kids" too!
- 1961** Joyce 'Soltman' Gozdor - "The lost Retail Class of 1961". On final exam day the class (10 in total) closed the door to the hallway (that was conveniently locked from the outside with the teacher John Cain on the outside). With the class not making a Sound or opening the door, Mr. Cain reported the entire class "missing"!!
- 1967** Bonnie 'Brackett' Etelamaki - I especially remember the fun and friendship enjoyed by all while working on the homecoming floats. Our sophomore year (1964-1965) float "team" was really great. Building was done in a McKinley Airport hanger.
- 1969** George Roland - Our high school graduation, and now it's 25 year reunion time?

A NOTE FROM YOUR COLUMNIST: "Aufwiedersehen - goodbye" to you all! We are returning to Germany to live. It has been SUCH FUN writing this column, attending the meetings, working the picnic (and really not much work) that I hope LOTS of you will turn out to take over and enjoy the fun of it too! Best wishes to each and everyone of you! Keep the spirit of Fraser alive.

THREE ROB FRASER BANK, ESCAPE

BANDITS ROB BANK FLEE AMID SHOTS FIRED BY VIGILANTE

No trace had been found late today of three daring young robbers who held up the State Bank of Fraser, near Half-way, Michigan, and escaped with \$1,180.

The three fled in a shower of bullets from the guns of an assistant cashier of the bank and a member of the Macomb County Vigilante. The bandits, while brandishing revolvers during the holdup made no effort to return the fire as they sped toward Detroit.

Walter A. Miller, whose office is directly across from the bank, pursued the thugs for a mile, but was out-distanced. Other citizens, summoned by the vigilante Alarm, got into autos and searched the country-side, futilely.

Miller, the Vigilante, who with assistant Cashier Theodore Bohn, fired several rounds of shots at the fleeing car, said he did not believe any of the bullets had taken effect.

The Vigilante alarm sounds in the banks and many of the offices in Macomb County. It is a distress signal which is answered by citizens as well as police. But for one defect in the arrangement, it was pointed out, the bandits might have been captured. The alarm does not indicate what bank or business is in distress.

As a result, when Miller ran from his office, he had no way of knowing that it was the bank directly across the street from him that was being robbed. One of the thugs ran out of the door. He was carrying a bundle - the money. But he had no gun. Miller ordered him to halt, and the thug complied. Miller advanced toward him as the second thug came from the bank -and then both thugs took to their heels.

CAR IS WAITING

Bohn ran from the bank and then he Miller opened fire. The bandit car was waiting about 100 feet from the bank door. A confederate was at the wheel. The two men jumped on the running board and climbed inside as the auto, a small coupe, rattled off in the direction of Detroit.

One of the bullets found its way into the dining room of Mrs. Andrew Ulenburg, who lives several hundred feet from the bank. The bullet entered the baseboard under a dining room window which opens on the front porch. It passed

through the wall and dropped to the dining room floor. Mrs. Ulenburg was in another room.

The two thugs entered the bank shortly after 10 a.m. today. Both walked to the wicket behind which (Theodore) Bohn and Elmor Kleino, another assistant cashier were standing. The two bank men found themselves gazing into the muzzles of two automatics.

HAND CASHIER NOTE

One of the robbers pushed a note through the window. It bore the legend that they were "covered", and a demand for "all the cash you've got."

Kleino stood nearest the window. He received the note and promptly handed over a packet of currency - \$1,180. Bohn, standing behind Kleino, stepped on the Vigilante alarm. The bandit who had taken the pile of currency, and who was met by Miller at the door, was the first to start away at the sound of the bell. He pocketed his gun. The second man kept the two cashiers covered as he backed to the door.

Elmor Kleino stated that it was a 1918 rifle, army surplus supplied to all banks at a reduced cost was use... Possibly a 3240 shell...

As told to Audrey DeFauw by Mr. John Ulenburg, son of Mrs. Andrew Ulenburg... "The room was the front living room where the bullet entered and embedded itself into an oak table used as a desk. Mrs. Ulenburg was dusting in the living room at the time." 'The house now belongs to Audrey DeFauw, and is the Fraser Florist.

Also, Mr. Norman Reindel also stated that Jim Steffens, another vigilante went to the Roseville Bank and talked to Norm Reindel about the robbery which was taking place at Fraser... You see, their system told them that a bank in the area was being robbed, but not which one.

June 1, 1993 additions to the story as told to us by David Bohn, son of Theodore Bohn... The bandit several years later came back to the bank and asked Mr. Bohn to go for a cup of coffee with him. He told him that he had paid for his crime as he was now out of prison.
